1. **COMPATIBILITY.**

   You acknowledge and agree that the App is designed for use on the Atlassian Marketplace (http://marketplace.atlassian.com) and that this EULA is between you and Thales Australia only, and not Atlassian Pty Ltd (ABN 53 102 443 916) (**Atlassian**). Thales Australia, and not Atlassian, is solely responsible for the App, provision of support services and responding to your complaints. Atlassian will not be responsible for, and will have no liability whatsoever, under this EULA.

Where the App is being used by your employee or other person using the App as part of your undertaking (**Your Staff**), that member of Your Staff is licensed to use the App as if it were you and must comply with this EULA on the same basis. Any failure to comply with this EULA by Your Staff will be deemed to be a failure by you to comply with this EULA.

If you become aware of any infringement or suspected infringement by any third party of any Intellectual Property Rights in the App, you must immediately notify Thales Australia. You must at Thales Australia's request and expense take any action as Thales Australia deem is appropriate to protect Thales Australia's Intellectual Property Rights.

3. **RESERVATION OF RIGHTS AND OWNERSHIP.**

Thales Australia reserves all rights not expressly granted to you in this EULA, including all Intellectual Property Rights in the object code and source code of the App. The App is protected by copyright and other intellectual property laws and treaties. Thales Australia or its licensors own all the Intellectual Property Rights in the App. The App is licensed, not sold.

If you provide feedback or an enquiry to Thales Australia through the App or otherwise, you grant Thales Australia a worldwide perpetual irrevocable licence to use and disseminate your feedback or enquiry for the purpose of improving Thales Australia services.

4. **CONTENT.**

You, not Thales Australia, remain solely responsible for all information or materials in any form or format that you upload, post, transmit, or otherwise disseminate using, or in connection with, the App. You access such content at your own risk and you will be solely responsible for any damage or liability to any party resulting from such access.

5. **FEES AND PAYMENT.**

6. **SUPPORT SERVICES.**

Thales Australia will use commercially reasonable efforts to provide web-based and/or email support to you for the App during normal business hours. Thales Australia, and not Atlassian, is responsible for providing all support for the App, and for providing you information necessary for your use of the App. At a minimum, Thales Australia

will respond within twenty-four (24) hours to any support request that Atlassian identifies as 'critical', and in all other cases within five (5) business days of request from you or Atlassian.

7. **OPEN SOURCE SOFTWARE.**

The App contains open source software, including MIT, Apache Licence Version 2.0 and OFL-1.1 licence types (**Open Source Software**). This EULA does not apply to the Open Source Software contained in the App. Rather, the terms and conditions in the applicable Open Source Software license set out in Annexure 1 will apply to the Open Source Software. Nothing in this EULA limits your rights under, or grants you rights that supersede, any Open Source Software license set out in Annexure 1. You acknowledge that the Open Source Software license set out in Annexure 1 is solely between you and the applicable licensor of the open source software. You will comply with the terms of the applicable open source software license set out in Annexure 1.

8. **UPDATES.**

Thales Australia may from time to time make available to you updates, upgrades, supplements and add-on components (if any) to the App, including bug fixes, service upgrades (parts or whole), and updates, enhancements and feature improvements or deletion of the App (including entirely new versions), (collectively **Updates**) after the date you obtain your initial copy of the App. This EULA applies to all and any component of the Updates, unless Thales Australia provide other terms along with such Updates. You acknowledge and agree to install, update and enable any Updates of the App deemed critical by Thales Australia to continue accessing the App. While the Updates will be generally available, in some limited circumstances, the Updates will only be offered by your network carrier, and such Updates will be governed by your contractual relationship with your network carrier.

9. **AVAILABILITY.**

You acknowledge and agree that Thales Australia has the right to modify, suspend or discontinue the App or any portion of the App at any time. Thales Australia may also impose additional limits on certain features and services or restrict your access to parts or all of the App without notice or liability.

10. **INTERNET ACCESS.**

The App requires your device to have access to the internet and may be subject to restrictions imposed by your network or Internet provider. The App will access the internet through your network connection, Wi-Fi or mobile network, which may result in additional charges depending on your payment plan. In addition, your enjoyment of some features of the App through your device may be affected by the suitability and performance of your device hardware or data access. Thales Australia disclaims any and all responsibility for or associated arrangements with your telecommunications provider including network access and data allowances.

11. **CUSTOMER DATA.**

The App presents your Jira Cloud data in a useful dashboard to assist you with the management of agile projects. The App has no ability to modify your Jira Cloud data, and does not store it (other than temporarily in memory or parts of such data in log files).   Other than data contained in Thales Australia's log files, your Jira Cloud data is only transmitted between the App and Jira Cloud, and between the App and your web browser.

You grant Thales Australia a non-exclusive, royalty-free, worldwide licence to reproduce, distribute and otherwise display your Jira cloud data by or on behalf of you through the App (**Customer Data**), and to perform all acts with respect to Customer Data as may be necessary for Thales Australia to provide services to you. You are solely responsible for your Customer Data, and you will be liable to Thales Australia and its employees, officers, agents and contractors for any loss or liability suffered or incurred by Thales Australia and its employees, officers, agents and contractors in connection with your breach of this section 11.

The App only retains Customer Data and some tokens required to communicate security – all such data is stored in an encrypted database, is not shared with third parties or used for a purpose other than those required for the App to operate.

12. **PRIVACY.**

Thales Australia complies with its Thales Australia Privacy Statement available https://www.thalesgroup.com/en/node/2736109, in providing the App. By accessing, using, and providing information and materials to or through the App, you acknowledge that you have reviewed, accepted and consent to Thales Australia handing of information in accordance with:

- the Kamba Security Statement available [here - http://standup-board.azurewebsites.net/docs/securitystatement; and

- the Thales Australia Privacy Statement available https://www.thalesgroup.com/en/thales-australia-privacy-statement.

If you become aware of any actual or suspected unauthorised access, acquisition, use, disclosure, modification, loss or destruction of your data, any security vulnerability or any similar issue you must immediately notify Thales Australia using the contact details in section 22.

You acknowledge and agree that Atlassian is not responsible for privacy, security or integrity of your Customer Data collected or processed by Thales Australia or by the App through the Atlassian Marketplace.

13. **SUSPENSION; TERMINATION.**

Thales Australia may temporarily suspend your access to any portion of the App if Thales Australia reasonably determines that your use of the App is in breach of this EULA. Thales Australia will use reasonable efforts to provide you advance notice of any such suspension but will have no liability to you in relation to such suspension.

This EULA is effective until terminated. Your rights under this EULA will terminate automatically without notice from Thales Australia if you fail to comply with any of the terms and conditions of this EULA. Thales Australia may also cease providing the App and/or terminate this EULA for convenience and without liability, and where Thales Australia elects to do either of those things, it will use reasonable efforts to give you at least 10 days' prior notice.

Upon termination of this EULA, you must cease all use of the App and delete the App. All provisions of this EULA, except for the licence granted in section 2 which terminates immediately, will survive the termination of the EULA.

14. **DISCLAIMER OF WARRANTY.**

THE APP IS PROVIDED "AS IS" AND ON AN "AS AVAILABLE" BASIS. YOU ACKNOWLEDGE AND AGREE, TO THE MAXIMUM EXTENT PERMITTED BY LAW, THAT THE USE OF THE APP IS AT YOUR SOLE RISK AND THAT THE ENTIRE RISK AS TO SATISFACTORY QUALITY, PERFORMANCE, ACCURACY AND EFFORT IS WITH YOU. NO ADVICE OR INFORMATION, WHETHER ORAL OR WRITTEN, OBTAINED BY YOU FROM THALES AUSTRALIA WILL BE DEEMED TO ALTER THIS DISCLAIMER BY THALES AUSTRALIA

OF WARRANTY REGARDING THE APP, OR TO CREATE ANY WARRANTY OF ANY SORT FROM THALES AUSTRALIA.

IF ANY MANDATORY TERM IS IMPLIED IN THIS EULA BY LAW, OR A MANDATORY CONSUMER GUARANTEE APPLIES TO GOODS OR SERVICES PROVIDED IN CONNECTION WITH THIS EULA, THALES AUSTRALIA'S LIABILITY FOR BREACH OF THE TERM OR GUARANTEE IS LIMITED, AT THALES AUSTRALIA'S OPTION, TO: (I) IN THE CASE OF GOODS NOT OF A KIND ORDINARILY ACQUIRED FOR PERSONAL, DOMESTIC OR HOUSEHOLD USE OR CONSUMPTION, EITHER REPLACEMENT OR REPAIR OF THE GOODS OR PAYMENT OF THE COST OF REPLACING OR REPAIRING THE GOODS; AND (II) IN THE CASE OF SERVICES NOT OF A KIND ORDINARILY ACQUIRED FOR PERSONAL, DOMESTIC OR HOUSEHOLD USE OR CONSUMPTION, TO EITHER RESUPPLY OF THE SERVICES OR THE COST OF THE RESUPPLY OF THE SERVICES.

15. **DIGITAL CERTIFICATE.**

You acknowledge and agree that you are solely responsible for your decision to rely on a digital certificate issued by either Thales Australia or a third party and your use of such certificate. Thales Australia makes no express or implied warranties or representations as to merchantability or fitness for any particular purpose, accuracy, security, or non-infringement of third-party rights with respect to digital certificates.

16. **YOUR INDEMNITY.**

You will indemnify, hold harmless, and, at Thales Australia's option, defend Thales Australia and its officers, directors, employees and agents from and against any and all loss arising from or relating to any third party claim that the Customer Data, or any use of the Customer Data in accordance with this EULA, infringes or misappropriates such third party's intellectual property rights; or for your negligence or willful misconduct, or your use of the App in a manner not authorised by this EULA; provided you may not settle any claim against Thales Australia unless Thales Australia consents to such settlement.

17. **LIMITATION OF LIABILITY.**

TO THE MAXIMUM EXTENT PERMITTED BY LAW, THALES AUSTRALIA WILL NOT BE LIABLE FOR ANY DAMAGES OF ANY KIND ARISING OUT OF OR RELATING TO THE USE OR THE INABILITY TO USE THE APP, ITS CONTENT OR FUNCTIONALITY, INCLUDING BUT NOT LIMITED TO DAMAGES CAUSED BY OR RELATED TO ERRORS, OMISSIONS, INTERRUPTIONS, DEFECTS, DELAY IN OPERATION OR TRANSMISSION, COMPUTER VIRUS, FAILURE TO CONNECT, NETWORK CHARGES, RELIANCE ON THE ACCURACY OF ANY INFORMATION IN THE APP, AND ALL OTHER DIRECT, INDIRECT, SPECIAL, INCIDENTAL, EXEMPLARY, OR CONSEQUENTIAL DAMAGES EVEN IF THALES AUSTRALIA HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

NOTWITHSTANDING THE FOREGOING, THALES AUSTRALIA'S TOTAL LIABILITY TO YOU FOR ALL LOSSES, DAMAGES, CAUSES OF ACTION, INCLUDING BUT NOT LIMITED TO THOSE BASED ON CONTRACT, TORT, OR OTHERWISE, ARISING OUT OF YOUR USE OF THE APP, OR ANY OTHER PROVISION OF THIS EULA, WILL NOT EXCEED THE AMOUNT OF $100. THE FOREGOING LIMITATIONS, EXCLUSIONS, AND DISCLAIMERS (INCLUDING SECTIONS 14 AND 15) WILL APPLY TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW.

21. **ENTIRE AGREEMENT; SEVERABILITY.**

This EULA is the entire agreement between you and Thales Australia relating to the App and supersedes all prior or contemporaneous oral or written communications, proposals and representations with respect to the App or any other subject matter covered by this EULA. TERMS AND CONDITIONS FOR USE, REPRODUCTION, AND DISTRIBUTION

1. Definitions.

"**License**" shall mean the terms and conditions for use, reproduction, and distribution as defined by Sections 1 through 9 of this document.

"**Licensor**" shall mean the copyright owner or entity authorized by the copyright owner that is granting the License.

"**Legal Entity**" shall mean the union of the acting entity and all other entities that control, are controlled by, or are under common control with that entity. For the purposes of this definition, "**control**" means (i) the power, direct or indirect, to cause the direction or management of such entity, whether by contract or otherwise, or (ii) ownership of fifty percent (50%) or more of the outstanding shares, or (iii) beneficial ownership of such entity.

"**You**" (or "**Your**") shall mean an individual or Legal Entity exercising permissions granted by this License.

"**Source**" form shall mean the preferred form for making modifications, including but not limited to software source code, documentation source, and configuration files.

"**Object**" form shall mean any form resulting from mechanical transformation or translation of a Source form, including but not limited to compiled object code, generated documentation, and conversions to other media types.

"**Work**" shall mean the work of authorship, whether in Source or Object form, made available under the License, as indicated by a copyright notice that is included in or attached to the work (an example is provided in the Appendix below).

"**Derivative Works**" shall mean any work, whether in Source or Object form, that is based on (or derived from) the Work and for which the editorial revisions, annotations, elaborations, or other modifications represent, as a whole, an original work of authorship. For the purposes of this License, Derivative Works shall not include works that remain separable from, or merely link (or bind by name) to the interfaces of, the Work and Derivative Works thereof.

"**Contribution**" shall mean any work of authorship, including the original version of the Work and any modifications or additions to that Work or Derivative Works thereof, that is intentionally submitted to Licensor for inclusion in the Work by the copyright owner or by an individual or Legal Entity authorized to submit on behalf of the copyright owner. For the purposes of this definition, "**submitted**" means any form of electronic, verbal, or written communication sent to the Licensor or its representatives, including but not limited to communication on electronic mailing lists, source code control systems, and issue tracking systems that are managed by, or on behalf of, the Licensor for the purpose of discussing and improving the Work, but excluding communication that is conspicuously marked or otherwise designated in writing by the copyright owner as "**Not a Contribution.**"

"**Contributor**" shall mean Licensor and any individual or Legal Entity on behalf of whom a Contribution has been received by Licensor and subsequently incorporated within the Work.

2. Grant of Copyright License. Subject to the terms and conditions of this License, each Contributor hereby grants to You a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable copyright license to reproduce, prepare Derivative Works of, publicly display, publicly perform, sublicense, and distribute the Work and such Derivative Works in Source or Object form.

3. Grant of Patent License. Subject to the terms and conditions of this License, each Contributor hereby grants to You a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable (except as stated in this section) patent license to make, have made, use, offer to sell, sell, import, and otherwise transfer the Work, where such license applies only to those patent claims licensable by such Contributor that are necessarily infringed by their Contribution(s) alone or by combination of their Contribution(s) with the Work to which such Contribution(s) was submitted. If You institute patent litigation against any entity (including a cross-claim or counterclaim in a lawsuit) alleging that the Work or a Contribution incorporated within the Work constitutes direct or contributory patent infringement, then any patent licenses granted to You under this License for that Work shall terminate as of the date such litigation is filed.

4. Redistribution. You may reproduce and distribute copies of the Work or Derivative Works thereof in any medium, with or without modifications, and in Source or Object form, provided that You meet the following conditions:

1. You must give any other recipients of the Work or Derivative Works a copy of this License; and
2. You must cause any modified files to carry prominent notices stating that You changed the files; and
3. You must retain, in the Source form of any Derivative Works that You distribute, all copyright, patent, trademark, and attribution notices from the Source form of the Work, excluding those notices that do not pertain to any part of the Derivative Works; and
4. If the Work includes a "**NOTICE**" text file as part of its distribution, then any Derivative Works that You distribute must include a readable copy of the attribution notices contained within such NOTICE file, excluding those notices that do not pertain to any part of the Derivative Works, in at least one of the following places: within a NOTICE text file distributed as part of the Derivative Works; within the Source form or documentation, if provided along with the Derivative Works; or, within a display generated by the Derivative Works, if and wherever such third-party notices normally appear. The contents of the NOTICE file are for informational purposes only and do not modify the License. You may add Your own attribution notices within Derivative Works that You distribute, alongside or as an addendum to the NOTICE text from the Work, provided that such additional attribution notices cannot be construed as modifying the License.

You may add Your own copyright statement to Your modifications and may provide additional or different license terms and conditions for use, reproduction, or distribution of Your modifications, or for any such Derivative Works as a whole, provided Your use, reproduction, and distribution of the Work otherwise complies with the conditions stated in this License.

5. Submission of Contributions. Unless You explicitly state otherwise, any Contribution intentionally submitted for inclusion in the Work by You to the Licensor shall be under the terms and conditions of this License, without any additional terms or conditions. Notwithstanding the above, nothing herein shall supersede or modify the terms of any separate license agreement you may have executed with Licensor regarding such Contributions.

6. Trademarks. This License does not grant permission to use the trade names, trademarks, service marks, or product names of the Licensor, except as required for reasonable and customary use in describing the origin of the Work and reproducing the content of the NOTICE file.

7. Disclaimer of Warranty. Unless required by applicable law or agreed to in writing, Licensor provides the Work (and each Contributor provides its Contributions) on an "AS IS" BASIS, WITHOUT WARRANTIES OR CONDITIONS OF ANY KIND, either express or implied, including, without limitation, any warranties or conditions of TITLE, NON-INFRINGEMENT, MERCHANTABILITY, or FITNESS FOR A PARTICULAR PURPOSE. You are solely responsible for determining the appropriateness of using or redistributing the Work and assume any risks associated with Your exercise of permissions under this License.

8. Limitation of Liability. In no event and under no legal theory, whether in tort (including negligence), contract, or otherwise, unless required by applicable law (such as deliberate and grossly negligent acts) or agreed to in writing, shall any Contributor be liable to You for damages, including any direct, indirect, special, incidental, or consequential damages of any character arising as a result of this License or out of the use or inability to use the Work (including but not limited to damages for loss of goodwill, work stoppage, computer failure or malfunction, or any and all other commercial damages or losses), even if such Contributor has been advised of the possibility of such damages.

9. Accepting Warranty or Additional Liability. While redistributing the Work or Derivative Works thereof, You may choose to offer, and charge a fee for, acceptance of support, warranty, indemnity, or other liability obligations and/or rights consistent with this License. However, in accepting such obligations, You may act only on Your own behalf and on Your sole responsibility, not on behalf of any other Contributor, and only if You agree to indemnify, defend, and hold each Contributor harmless for any liability incurred by, or claims asserted against, such Contributor by reason of your accepting any such warranty or additional liability.

Part C: OFL – 1.1

Version 1.1 - 26 February 2007

PREAMBLE

The goals of the Open Font License (OFL) are to stimulate worldwide development of collaborative font projects, to support the font creation efforts of academic and linguistic communities, and to provide a free and open framework in which fonts may be shared and improved in partnership with others.

The OFL allows the licensed fonts to be used, studied, modified and redistributed freely as long as they are not sold by themselves. The fonts, including any derivative works, can be bundled, embedded, redistributed and/or sold with any software provided that any reserved names are not used by derivative works. The fonts and derivatives, however, cannot be released under any other type of license. The requirement for fonts to remain under this license does not apply to any document created using the fonts or their derivatives.

DEFINITIONS

"Font Software" refers to the set of files released by the Copyright Holder(s) under this license and clearly marked as such. This may include source files, build scripts and documentation.

"Reserved Font Name" refers to any names specified as such after the copyright statement(s).

"Original Version" refers to the collection of Font Software components as distributed by the Copyright Holder(s).

"Modified Version" refers to any derivative made by adding to, deleting, or substituting - in part or in whole - any of the components of the Original Version, by changing formats or by porting the Font Software to a new environment.

"Author" refers to any designer, engineer, programmer, technical writer or other person who contributed to the Font Software.

PERMISSION & CONDITIONS

Permission is hereby granted, free of charge, to any person obtaining a copy of the Font Software, to use, study, copy, merge, embed, modify, redistribute, and sell modified and unmodified copies of the Font Software, subject to the following conditions:

1) Neither the Font Software nor any of its individual components, in Original or Modified Versions, may be sold by itself.

2) Original or Modified Versions of the Font Software may be bundled, redistributed and/or sold with any software, provided that each copy contains the above copyright notice and this license. These can be included either as stand-alone text files, human-readable headers or in the appropriate machine-readable metadata fields within text or binary files as long as those fields can be easily viewed by the user.

3) No Modified Version of the Font Software may use the Reserved Font Name(s) unless explicit written permission is granted by the corresponding Copyright Holder. This restriction only applies to the primary font name as presented to the users.

4) The name(s) of the Copyright Holder(s) or the Author(s) of the Font Software shall not be used to promote, endorse or advertise any Modified Version, except to acknowledge the contribution(s) of the Copyright Holder(s) and the Author(s) or with their explicit written permission.

5) The Font Software, modified or unmodified, in part or in whole, must be distributed entirely under this license, and must not be distributed under any other license. The requirement for fonts to remain under this license does not apply to any document created using the Font Software.

TERMINATION

This license becomes null and void if any of the above conditions are not met.

DISCLAIMER

THE FONT SOFTWARE IS PROVIDED "AS IS", WITHOUT WARRANTY OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO ANY WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NONINFRINGEMENT OF COPYRIGHT, PATENT, TRADEMARK, OR OTHER RIGHT. IN NO EVENT SHALL THE COPYRIGHT HOLDER BE LIABLE FOR ANY CLAIM, DAMAGES OR OTHER LIABILITY, INCLUDING ANY GENERAL, SPECIAL, INDIRECT, INCIDENTAL, OR CONSEQUENTIAL DAMAGES, WHETHER IN AN ACTION OF CONTRACT, TORT OR OTHERWISE, ARISING FROM, OUT OF THE USE OR INABILITY TO USE THE FONT SOFTWARE OR FROM OTHER DEALINGS IN THE FONT SOFTWARE.
